

## TAD2B Rabbit Polyclonal Antibody

### Description

|                         |  |
|-------------------------|--|
| Product type            | Primary Antibody                             |
| Code                    | BT-AP05015                                   |
| Host                    | Rabbit                                       |
| Isotype                 | IgG  |
| Size                    | 20ul, 50ul, 100ul                            |
| Immunogen               | Synthesized peptide derived from human TAD2B |
| Mol wt                  | 46200  |
| Species reactivity      | Human, Rat, Mouse                            |
| Clonality               | Polyclonal                                   |
| Recommended application | WB   |
| Concentration           | 1 mg/ml                                      |
| Full name               | TAD2B  |
| Synonyms                | TAD2B  |
